

*“They’ll sleep better  
So we’ll sleep better!”*

**HELP OUR SOLDIERS AND TROOPS IN COMBAT SLEEP BETTER.  
PILLOWS FOR PATRIOTS SENDS MUCH NEEDED PILLOWS TO THE BRAVE MEN AND WOMEN  
IN OUR MILITARY IN IRAQ AND AFGHANISTAN.**

Our troops in combat need to have a small, compact pillow (not issued by the government) which can easily fit in their field packs, so during those rare moments of being able to rest, they will be able to truly have a good night's sleep.

In cooperation with a local Beaufort, SC manufacturer, Harris Pillow Supply, we are accepting donations in support of our cause, which is to provide a better night's sleep for our troops in combat zones in Iraq and Afghanistan.

These pillows are packable, cozy and washable. It is an much appreciated item, and this is one way that we can give back to our brave men and women in combat for their service.

Due to expensive overseas shipping costs, we prefer to deliver the pillows to units BEFORE they deploy overseas.

**Pillows For Patriots is a non-profit organization.  
100% of donations go to provide pillows for our deployed troops.**
